Other New Business:

Pastor's Report:

Flower beds - Help was requested by a member of the congregation to keep the flower beds weeded. It is too much for one person. Other appeals to assign beds to others has not worked. Council decided to create a Sign Up Sheet for each week for the rest of the summer, to ask for volunteers to weed. If it is done weekly, it shouldn't be a big task in any one week. Pastor will ask the congregation members/families to sign-up this Sunday, June 18.

25th anniversary of the signing of the church charter. Pastor noted the church charter was signed on September 27, 1992; 2017 is the 25th anniversary of BOL. Council discussed setting up four committees with a Council Member on each committee:

A display of historical photos – Pam Slagh (Cindie Nelson volunteered to also assist);

A compilation of stories by charter members - Cynthia Boots (Dean & Liz Hanson have volunteered to assist);

Invitations to be sent to former members to worship –Looking for volunteers

A dinner with a budget for expenses on Oct. 1 – Dave Stracke & Josh Wellman (Cindie Nelson will assist).

Council Members will ask members of BOL to be on the committees. Pastor will invite Joan Oleson (Sept 17) and Rob Dorow (Sept 10) to preach with budgeted honorariums;

Depending on the availability of the former BOL pastors, we may adjust the schedule. Budget is still set for \$750. We may ask for designated contributions, as the event gets closer.

Wonders on Wednesdays. There will be something planned for adults and kids. There might be something related to Reformation. Pastor will plan 4 WOWs over the summer. Pastor is looking for entertainment ideas. Cindy Bush has graciously volunteered to do crafts all five Wednesdays for the kids. Pastor is asking for volunteers to lead games each Wednesday. The Wellman's have agreed to lead the games on June 28.

Next Meeting. July 10, 2017.

The meeting was adjourned following Pastor's benediction.
