with Holy Communion**

**We invite you to worship,  
grow & serve with us!**

Ah, July...when the temperatures soar, it stops raining and the grass goes brown! That's the usual scenario, but I am thinking that it probably won't happen this year. It looks like one of those years when the temperature stays pretty low and the rains continue to come. I may be wrong, but if the rest of the summer is anything like June, well, it just might be mild and damp. Either way, summer is a time for "re-creating"...taking some time to step aside from the normal rigors of work or retirement's work and refresh the spirit. I believe that God hopes we all take some time to "detach" and renew. It's like those moments when I stop, sit down, and just listen to the Spirit speaking to me. Those quiet times when God can break through and restore us.

The Wonder on Wednesdays continue in July, the 10<sup>th</sup>, 17<sup>th</sup>, and 24<sup>th</sup>. Keep track of what is scheduled for each week by checking the poster in the narthex and mark your calendar. If you've never come before, please consider coming...I don't think you'll be disappointed. They are our "vacation church school" nights with something for both young people and adult, and don't forget the ice cream!

Want to remind you that the Diaper Den needs more help...I know that our young families have taken advantage of that so far and will continue to need assistance...it is really great that we have so many "little people" with more on the way! Children are God's gift to any congregation and we are really blessed.

In a conversation with Luis, our renowned pianist, he expressed an interest in giving piano lessons to anyone from church. If you are interested, please speak to him any Sunday following worship.

Our young families are planning a camp-out the first weekend in August. If you are interested in joining them, please speak to the McCullough's, DeVries's or the Koerth's for exact times and pertinent information.

July continues the season of Pentecost begun in June. It will last until the last Sunday in November (Christ the King Sunday). The season of Pentecost is a time for growth, understanding and nurturing. Look for God acting in your life...challenging you, encouraging you and working in you newness of life. It's a wonderful time in the Church year, made for you to celebrate the wonder and depth of God's love, grace and forgiveness. Worship regularly, pray often, read his Word and look for opportunities share your many blessings.

Well, I have "pontificated" long enough...time to close. As always, remember how much God loves you and counts on you to be his physical presence in our world. Take care and may God continue to bless you and all of your loved ones. I look for you at worship!

SERVING HUDSONVILLE, JENISON AND GRANDVILLE, MI

<http://www.loveinthenameofchrist.org/>

## We Offer

At Love in the Name of Christ, we offer many ministries and services that will assist those in our community who seek the temporary support that life sometimes requires, including our food pantry, free counseling, stress and anger management, clothing ministry, medical equipment loaner program, financial education, community garden, nutritional education, parenting programs and more.

### The Call Center

If you need support, please call the Call Center as a first step. Your confidential call will be received by a caring, trained volunteer. During the call, the volunteer will assist you in identifying your most crucial needs, complete an intake questionnaire, pray for you and your family, identify Love INC ministries that may be able to assist you with your identified needs, and offers good referrals for those needs outside of the Love INC scope.

Contact the Call Center by calling Love INC at 616-662-3300 and asking for “The Call Center” or by emailing [info@loveinthenameofchrist.org](mailto:info@loveinthenameofchrist.org).

Call Center hours: Monday – Friday 9:00am – 4:00pm

For those who reside in Grandville, our Grandville Call Center is open Mondays and Thursdays from 9:00am to noon and is located at Fellowship Christian Reformed Church on the corner of Ivanrest and Rivertown Parkway and can be reached by calling 616-662-3300 and asking for “The Grandville Call Center”. If you are looking for assistance outside of those times, you can always call and speak to someone in Hudsonville.

### Life Skills Program

Many families in our area who are looking for support don't always know where to turn. The Love INC Life Skills Program offers practical answers and helpful tools to assist you in the transition from struggling to thriving. In the Life Skills Program you will be provided with education and mentoring in a variety of areas including budgeting, nutrition, parenting and more as you learn and apply core skills, discovering your gifts to contribute to God's kingdom.

For many families, the process of learning to live with a budget is generation changing. Families learn to break out of the cycle of paycheck-to-paycheck survival. Through provided resources of food, clothing and other household items, you are able to forgo the costly expenses of current day-to-day requirements, creating the breathing room to pay bills, build savings and ensure stability.

## SPECIAL FRIENDS AT BREAD OF LIFE:

Several members of Bread of Life have been trained to be a supportive and caring friend to someone going through a difficult time of life. If you or someone you know is experiencing difficulty and would wish to connect with such a "special" and supportive friend, please contact Pastor Paul.
